LOOKING FORWARD TO NEW LIFE IN CANADA—Col. John Wolpe, the "statelike" German Jew who joined the Winnipeg Rifles as an unofficial member, arrives in Winnipeg about a half-dozen days.

The 27-year-old Jew arrived in Winnipeg as a full-blooded member of the Canadian army and a Canadian citizen. He still has a limp, the result of a machine-gun wound in the right arm in June, 1918, when he was in the Winnipeg Rifles, which he changed to John because "too German," has adopted Winnipeg as his future home because of his association with the Rifles.

FOR TROUBLE FREE PERFORMANCE

DRAIN OUT OLD OIL AND FILL UP WITH CLEAN LONG LASTING MARVELUBE NOW!

Dirty, thinned-out oil means incomplete lubrication of bearing surfaces, excessive wear and costly repairs— sooner or later. Dirty oil causes deposits of sludge, carbon and varnish in the engine of your truck and tractor, with resulting loss of power. Dirty oil not only "gum up" your engine, but its impurities give it corrosive properties—it may start to eat into metal surfaces. Then you're headed for trouble.

Tough, heat-resistant Marvelube gives real protection. It keeps your engine free from damaging deposits. For a lively, smooth running engine, fill up with Marvelube now. Marvelube is the quality lubricant that gives trouble-free performance.
